GPS tracks are for real-time spectator tracking and post-race analysis only, and will not be used for placement or protests.

- 9.3 RaceQs phones or a similar device, as well as protective covers, will be available for competitors who don't have their own. The GPS device should be placed as near the mast as possible.
- 9.4 Weather permitting, the day's races will be replayed outside on a large-screen TV after competitors have come in from the water.

10. Prizes

11. Disclaimer of Liability

- 11.1 Competitors participate in the regatta entirely at their own risk. See RRS Rule 3, Decision to Race. RRS 3 states: "The responsibility for a boat's decision to participate in a race or to continue to race is hers alone." By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes. Neither the organizing authority nor the hosts will accept any Liability for material damage or personal injury, sickness, or death sustained in conjunction with, or prior to, during, or after the regatta.
- 11.2 No sailor may participate without first signing a waiver of rights.
