

To Wayfarer Rally Participants.

I would be grateful if you would express your interest in % probability that you will sail on Lower Lough Erne. the week after the 27th Wayfarer International Rally at East Down Yacht Club.

0% - definitely will not want to sail in Lough Erne 19th to 23 June 2023

25% - slim possibility that I will sail on Lough Erne 19 to 23 June.

50% - there is a 50/50 probability that I will sail on Lough Erne 19 to 23 June

75% - strong possibility that I will sail on Lough Erne 19 to 23 June.

100% - I will definitely sail on Lough Erne 19 to 23 June if a group is going.

Or any other % you might choose.

I will be speaking to Lough Erne Yacht Club next week and would like some indication of interest.

???? LEYC would be charging us £15 per day per boat (Per Person ????- currently checking) This would include your tent or campervan. The club would give us access to all facilities, loos, showers and a day kitchen with washing machine and dryer. For those staying off site the charge would also be £15 per day per boat. Depending on numbers the club may also open its bar for us. ????

We would leave EDYC Sunday 18 June and travel the 100miles 2.5 hours to Lough Erne Yacht Club plan to sail the Monday, Tuesday, Wednesday, and Thursday. Currently I have plans requiring me to leave the Friday morning.

Depending on the weather we could sail to, Tully Castle, Castle Archdale (White Island), Devenish Island, Carrickreagh or some of the other islands.
