

Deb's Wayfarer Wish List

First and foremost is a boat that's structurally sound, and comes with a road trailer. I'm willing to re-fit sails and rigging if the construction is solid. Strong preference is for a cruising set-up. I don't need the whiz-bangery and complexities of a racing set up. All other things are negotiable.

Item	Must have	Nice to have	Not important	Notes
Construction				
structurally sound	x			I don't want to do any repairs below the water line or at load points (eg: where mast and standing rigging connect to the hull)
sandwich GRP construction	x			
Floorboards	x			
bulkhead w/ hatch	x			
Hull colour			x	Red is favourite. Preference is for dark colours
Sails / rigging				
jib furler		x		
asym / spinnaker sail			x	
asym / spinnaker rig			x	
Main and jib	x			Would prefer to not have to immediately replace these.
Running rigging		x		Am willing to re-fit
Standing rigging		x		Am willing to re-fit
Add-ons				
Road trailer	x			
launching dolly		x		
outboard motor		x		
outboard motor mount		x		
oars	x			
winter cover		x
