

Wayfarer 11442

\$17,500

Located Colorado Springs, Colorado

Boat was built in 2023 but did not arrive in the USA until January of 2024. She has only raced in 2 regattas in 2024, Placing 1st and 2nd. Her only other sailing is about 10 days day sailing in Lake Lansing in Michigan. Picture 1 above is the actual boat for sale. Pictures 2 and 3 are of my older boats just to show what she would look like rigged.
